ABOUT US

Protecting People. Empowering Industries.

FG Safety is a trusted supplier of industrial safety products dedicated to protecting the workforce across manufacturing, construction, infrastructure, logistics, warehousing, power, engineering, and other industrial sectors.

OUR VISION

To become one of India's most trusted industrial safety solution providers by delivering reliable products, technical expertise, and exceptional customer service that contribute to safer workplaces and sustainable business growth.

OUR MISSION

Deliver certified, high-quality industrial safety products.

Provide technical guidance for selecting the right PPE.

Build long-term relationships through trust and transparency.

Ensure fast response, timely deliveries, and dependable after-sales support.

Continuously expand our product portfolio to meet evolving industrial safety requirements.

INTEGRITY

WHY CHOOSE FG SAFETY

- Strong industrial project background and market understanding.
- Reliable supply of certified PPE and industrial safety products.
- Partnerships with trusted manufacturers and leading brands.
- Technical assistance in selecting the right safety products.
- Fast quotations and responsive customer support.
- Timely delivery and dependable supply chain.
- Customer-focused approach built on long-term relationships.

MANAGEMENT MESSAGE

Building Safer Workplaces Together

At **FG Safety**, we believe that every worker deserves to return home safely at the end of each day.

Our journey began with years of serving industries through infrastructure and electrical projects. Working closely with factories, contractors, and industrial organizations gave us a deep understanding of workplace operations and the critical role that safety plays in productivity and business continuity.

Together, Let's Build a Safer Tomorrow.

OUR COMMITMENT

We don't simply supply safety products—we help organizations strengthen their workplace safety culture through dependable products, expert guidance, and responsive service.

Every order is an opportunity to build trust.

Every partnership is built for the long term.

Every worker deserves protection.

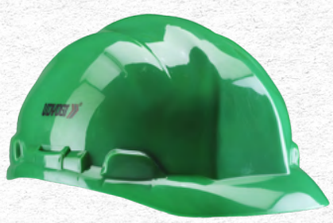

PRODUCT PORTOLIO

Our product portfolio includes head protection, hand protection, respiratory protection, eye and face protection, safety footwear, and specialized PPE clothing suited to varying working conditions.
